

I want
my dad to...

I want
my mum to...

A tradition in
our family

I like it most
when my family

3 rules in my family are

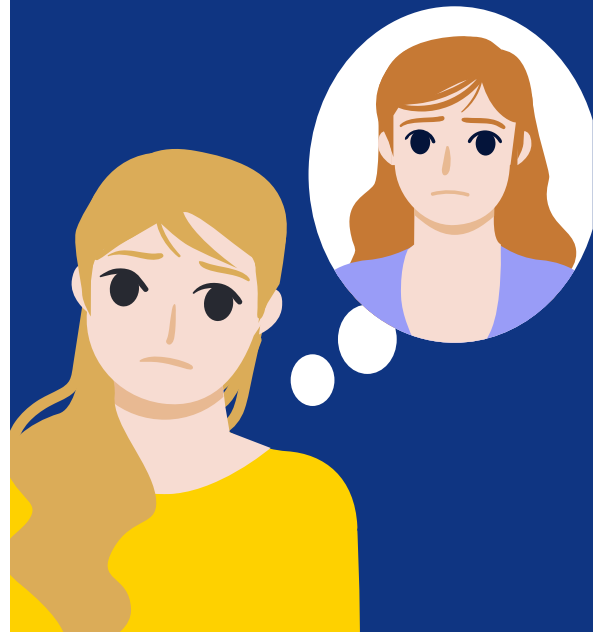

My greatest fear is

I'm scared when dad

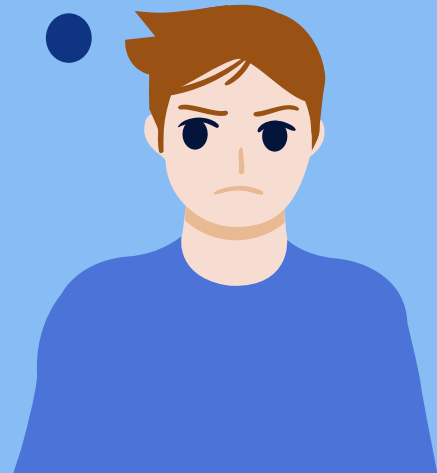

I'm scared when mom

I feel
happy when

It angers
me when

I cry every
time when

The last time
I laughed when

One thing nobody knows about me

One thing nobody knows about my mom

One thing nobody knows about my dad

My dream is

I wish
I could

I am
grateful for

2 things I like
about school

Other kids
treat me

If I had a magic wand I would

I wish I never

I wish mom never

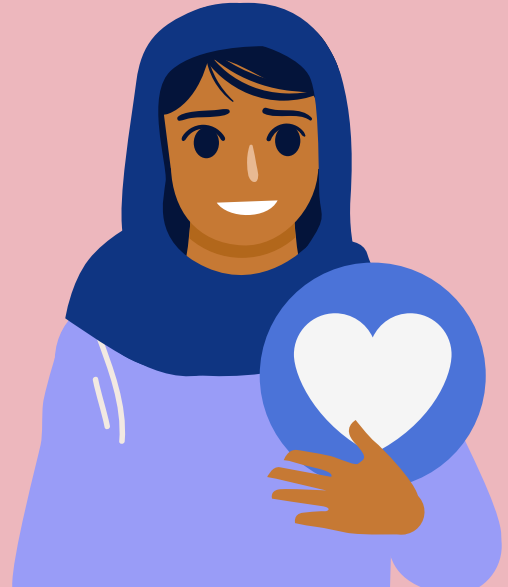

I wish dad never

My home
feels like

I am grateful to
my mom for

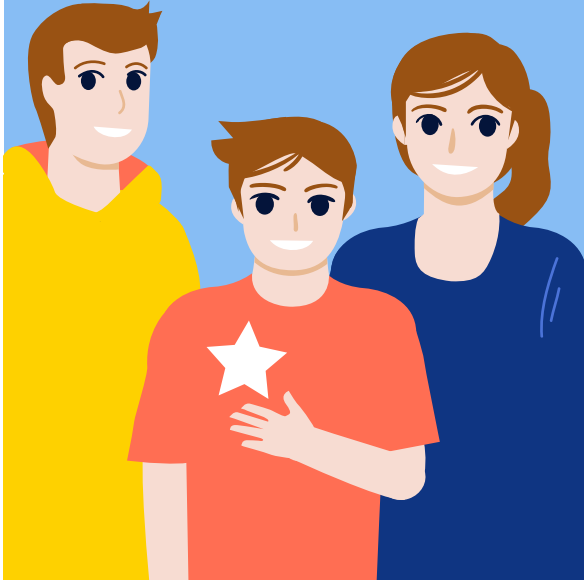

I am grateful to
my dad for

I would like to
.... more often

The best thing about my family

The worst thing about my life

The best thing about me

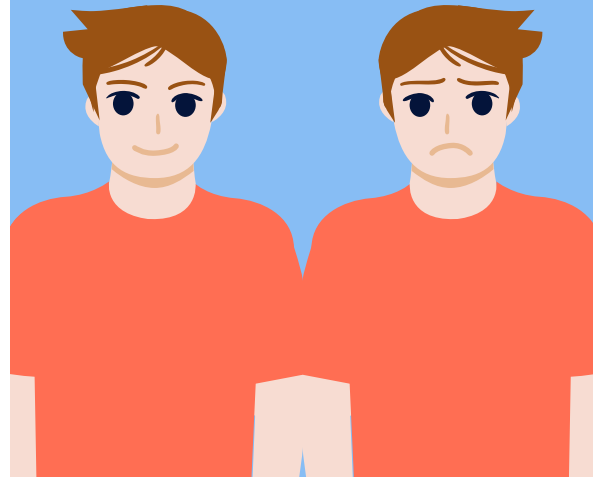

My favourite book

My favourite
movie

Most of the
time I feel

I wish
I could feel

The world
would be
a better place if

My life
would be more
joyful if

At night when
I'm in bed
I think about

Sometimes
I feel worried
because

I want my
_____ to...

I'm scared
when _____

One thing
nobody knows
about my _____

I wish
_____ never

I am grateful to
my _____ for
